

AHC is a nonprofit organization that can help you finance and manage accessibility improvements.

GRANT PROGRAM

- Up to \$17,000 to make accessibility improvements for seniors and persons with disabilities
- Grants are structured as a 0%-interest deferred loan with no monthly payments and are forgiven 1/60th per month (fully forgiven after 5 years in the home)
- Applicants may combine the Home Accessibility Program with other AHC assistance programs

WHO IS ELIGIBLE?

- Participants may live anywhere in Lake County
- At least one member of the household must be 62 years old or older or have a disability which substantially limits one or more major life activities
- Participants must use the home as their principal residence
- Seniors must get a free in-home needs assessment from Catholic Charities; persons with disabilities must get a free in-home needs assessment from the Lake County Center for Independent Living
- If you rent your home, permission and full cooperation is needed from the property owner
- Gross household income (income from all sources) cannot exceed the following limits based on your household size:

Household Size	1	2	3	4	5	6	7	8
Income Limit	\$27,650	\$31,600	\$35,550	\$39,500	\$42,700	\$45,850	\$49,000	\$52,150

Above effective as of 4/14/17. Guidelines are determined by HUD and are adjusted annually.
